If you close your Cash Back Checking account before the rewards are credited to it, you will not receive the rewards. When Cash Back Checking qualifications are not met, you will not receive cash back on your Visa Debit Card purchases and ATM fees are not refunded.

*\*We make our best effort to identify those domestic ATM fees eligible for reimbursement, based on information we receive from card networks and ATM operators. In the event that you have not received a reimbursement for an ATM fee that you believe is eligible, please call an SVCU Representative for assistance. We must hear from you no later than 30 days after the statement cycle when the reimbursement was applicable. The collective total of all ATM fees that will be reimbursed for a qualification cycle will not exceed the \$25.00 limit established for each qualification cycle.*
